PRESS RELEASE

“SEMINAR ON “IMPORTANCE OF ORAL HEALTH & HYGIENE”, AT ACET”

Anjuman College of Engineering & Technology, -National Service Scheme unit organized a Seminar on **“IMPORTANCE OF ORAL HEALTH & HYGIENE”**, for the college students, on 7th April, 2022 at ACET-Auditorium Hall in association with **Teach India –Times of India** -supported by **Vicco Vajradanti**, The Seminar has been conducted by Ms. Mary Mukharjee, corporate social responsibility head of **TEACH INDIA, THE TIMES OF INDIA**, Mumbai. The Seminar inaugurated by Dr. S.M. Ali, Principal, Anjuman College of Engineering & Technology, along with Dr. M.S. Khatib, HOD, Computer Science & Engineering, ACET and ACET NSS Program Officer Dr. Zakir S. Khan. First of all Dr. S.M. Ali, welcomed Ms. Mary Mukharjee with floral bouquet.

Then invited Ms Mary Mukharjee started to conduct Seminar with small documentary then briefing, her briefing Ms Mary Mukharjee told that your oral health is more important than you might realize. Learn how the health of your mouth, teeth and gums can affect your general health. Like other areas of the body, your mouth teems with bacteria — mostly harmless. But your mouth is the entry point to your digestive and respiratory tracts, and some of these bacteria can cause disease-1) Brush your teeth at least twice a day for two minutes each time. Use a soft-bristled brush and fluoride toothpaste. 2) Floss daily. 3) Use mouthwash to remove food particles left after brushing and flossing. 4) Eat a healthy diet and limit sugary food and drinks. 5) Replace your toothbrush every three to four months, or sooner if bristles are splayed or worn. 6) Schedule regular dental checkups and cleanings. 7) Avoid tobacco use. Mouth Cancer Action Month aims to raise awareness of mouth cancer and make a difference by saving thousands of lives through early detection and prevention.

All the students those were attended Seminar on **“IMPORTANCE OF ORAL HEALTH & HYGIENE”**, all participants received Certificate, Seminar on **“IMPORTANCE OF ORAL HEALTH & HYGIENE”**, successfully completed with hard work of Dr. Zakir S. Khan and National Service Scheme Students Volunteers.

The Program conducted by Ms. Kashish Wanjari and Vote of thanks proposed by Ms. Rinku Shivhare.

TREE PLANTATION ON NATIONAL DOCTOR'S DAY & NATIONAL TREE PLANTATION DAY CELEBRATED AT ANJUMAN ENGG. COLLEGE

National Service Scheme unit of Anjuman College of Engineering & Technology on the eve of Doctor's Day & National Tree Plantation Day- has organized Tree Plantation in association with "Ayushi-Arushi Green Foundation" on Thursday ,1st July, 2021 in College Campus, Near about 50 sapling of Ficus sycomorus(Gular), Tekoma(Jacaranda), Cyprus(Saru Vruksh),Alstonia scholaris(Saat Patti) ,Thuja(Vidya-Mayur Pankhi), Almond Tree(Badam) were planted during the event.

The Tree Plantation Event was marked by presence of Dr. Syed Mohammad Ali, Principal of Anjuman College Of Engineering & Technology ,Mr. Thakur Ajay Singh and Mrs.Vimla Singh, Ms. Ayushi Singh of "Ayushi Arushi Green Foundation", along with Prof. Pramod Gadge, Dean Administration, Dr. Akash Langde, Dean R & D , Dr. M. Nasiruddin, Dean Student Activity, Dr.Yusuf Qazi, Dean Alumni, Prof. Azfar Ahsan, HOD, Science & Humanity, Prof. Sarfuddun Khatib, HOD,Computer Science, Prof.Ashfaq Ansari, HOD,CIVIL ,Dr. Zakir S. Khan(Black Belt 8th Dan),Program Officer, Anjuman College Of Engineering & Technology(ACET) -NSS and Mr. Amir Siddiqui, Administrative Officer, ACET

During the Event Principal Dr. Syed Mohammad Ali ,commented that "India observes National Doctor's Day on 1st July to marked to honor the immense contribution that doctors make in our every day lives and the spread of COVID-19 and the havoc it has wreaked across the planet has proven just how fragile our global systems are. In the face of these challenges, it's understandable that many feel helpless. We recently shared how the destruction of our environment is responsible for pandemics. So here's how planting trees can guide us through the current crisis, by helping solve the next one."

1. Introduction

We at Anjuman College of Engineering and Technology (ACET) strongly believe that our service is to spread knowledge through teaching and create new knowledge through research.

AIM:

To promote a research culture amongst the faculty members and students along with necessary infrastructure and support facilities

OBJECTIVE:

1. To cultivate strong research culture amongst faculty members and students.
2. To embed research in all levels of academic activity (undergraduate, postgraduate and PhD).
3. To increase the quantity and quality of our research outcomes.
4. To increase the sources of external research funding in order to build capacity, create new knowledge and research quality.

The Roles and Responsibilities of R&D cell are:

Role:

- Role of R & D cell to enhance research culture
- To promote Academic Research in the college with Faculty and students
- To preserve the Code of ethics of the college while publishing
- To help the faculty in applying for funds in the form of Sponsored research / Grants from government and non government agencies
- To pave path for the teachers, students and researchers to collaborate for research

Responsibilities:

- To prepare annual research activity plan for all the departments.
- To initiate and promote MoU with industries and R&D organizations for consultancy, collaborative research, sponsored projects, industry and Institute interactions etc.

- To arrange brainstorming sessions through talks by eminent personalities from industry, R& D organizations and institutions of repute for the better understanding of research methodology and practices currently followed.
- To keep everyone informed about announcements by various funding agencies like DST, DRDO, SERB, CSIR, AICTE, UGC, IET and University etc.
- To motivate students for presenting papers in National and International conferences and projects in competitions and exhibitions at university level. Interdepartmental / collaborative work to be encouraged.

As regards institute policy towards accomplishing above stated tasks the policy comprises following issues (i) Short Term Goals (ii) Long term goals

Short term goals (2 years):

- 1) To enhance Quality publications like SCI/Scopus significantly
- 2) To increase submission of number of funding proposal
- 3) To arrange International conference/ FDP (funded if possible)
- 4) To monitor progress of the research and development activity.

Long term goals (5 years):

1. Faculty members can conduct value added training program in the institute
2. To depute senior faculty to various research organizations for getting collaborative project and adopting best practices
3. To increase the funding beyond a crore

Following document viz. R&D Policy is the collection of all the policies which are constituted for achieving our aims and objectives. The management reserves the right to take a decision over and above the R&D policy in special cases, in the interest of institute.

General R & D Guidelines

Academic Research Quality:

2. A. Institute

1. Role of R & D cell to enhance research culture
2. To create atmosphere among the staff members to take up Research projects and improve their knowledge, skills and qualifications by registering Ph. D's
2. To assist for applying and getting funds for conducting Seminar/Workshop/FDP from various available funding agencies
3. To facilitate the growth of research activity among the academic community by paying rewards

2. B Department:

2. B.1 Department with single intake must publish at least two SCI indexed paper and three Scopus indexed paper per year and department with double intake must publish at least four SCI indexed paper and six Scopus indexed paper per year.

2. B.2 Two patent (minimum) applications must be published from each Department per year.

2. B.3 One International/National conference (minimum) must be organized each year, by Department wise rotation in collaboration with R & D Cell.

2. B.4 It is mandatory for all departments to submit at least two proposals per year to any external funding agency like DST, DRDO, SERB, CSIR, AICTE, UGC, IET and University etc.

2. C Faculties:

2. C.1 Each Professor is expected to publish at least two research papers/year in SCI/Scopus/WoS journal/conference by mentioning the affiliation of the institute in each academic session. The acceptance for the publication will also be considered.

2. C.2 Each Associate is expected to publish at least one research paper/year in SCI/Scopus/WoS journal/conference by mentioning the affiliation of the institute. The acceptance for the publication will also be considered.

2. C.3 Each Assistant Professor is expected to publish at least one research paper/year in SCI/Scopus/WoS/ journal/conference/ UGC approved journal as first author by mentioning the affiliation of the institute. The acceptance for the publication will also be considered.

- 2. C.4 Faculty member with Ph.D. degree must apply for a external funding per year
- 2. C.5 Faculty member should identify suitable industries and try for a possible funding from them with a mutual understanding of the problem statement.
- 2. C.6 Faculty member must file a patent after every two year

2. D Students:

2. D.1 Publications by PhD Scholars:

2. D.1.1 Each scholar is expected to publish one research papers in SCI/Scopus (none paid) journal by mentioning the affiliation of the institute. The acceptance for the publication will also be considered.

2. D.1.2 Each scholar must apply for external funding

2. D.2 Publications by PG Students:

2. D.2.1 Each M. Tech student is expected to publish two research papers in UGC approved Journal / Scopus conference by mentioning the affiliation of the institute.

2. D.3 Publications by UG Students:

2. D.3.1 Each project group of B. Tech students is expected to publish at least one research paper in UGC approved journal/International/national conference by monitoring the affiliation of the institute.)

Scholars/Student may apply for IPRs on projects carried out during their stay in ACET.

3. Research Policy:

3.1 External Funding for Research:

3.1.1 It is mandatory for all departments to submit research proposals per year to any external funding agency like DST, DRDO, SERB, CSIR, AICTE, UGC, IET and University etc.

3.2 Institute Funding for Research:

3.2.1 R&D Fund for Departments:

3.2.1.1 The annual departmental R&D fund allocated to every department every year may be utilized for departmental R&D activities such as research oriented UG / PG/ PhD projects, for conducting Guest Lectures and professional chapter activities etc.

3.2.1.2 50% fund will be sanctioned to UG / PG/ PhD project by the institute, if it is fully development and useful to the institute and 25% funds will be sanctioned if it is to be partially useful for the institute.

3.2.1.3 The registration fees required for establishing professional chapters, like ISTE, SAE, IEEE etc. minimum number of student registration for the chapter should be borne by the institute on first come first serve basis for student registration.

Note: Not more than two chapters per department will avail the above facility.

3.2.1.4 The internal funding to UG / PG/ PhD projects will be decided by respective HOD and their departmental project funding committee.

3.3 Research Schemes for STTP/FDP/Symposia/Conference/Workshop/Seminar:

To promote state-of-art research in the field of Science and Technology, faculty members of the institute are encouraged to submit proposals to State and Central government schemes on a timely basis depending on the eligibility of the Department. In addition to external funding, the institute will also partially/fully support some of the programs to individual Departments. In this regard faculty members are also encouraged to invite experts from IITs, NITs, Organizations from Institute of Eminence, Central and State Universities and Industry. For internal funding, an individual faculty should route the proposal through HOD to Principal and then to R & D Cell.

3.4. Research Publications in National and International Journals/ Conferences/ Books/Book Chapters/ IPR

3.4.1 Journal Publications (National and International)

As the publication of papers in journals is of utmost importance, faculty members are encouraged to publish papers indexed in the following indexing tools.

Science Citation Index (SCI), Web of Science (Q1, Q2, Q3, Q4 Journals)

- Science Citation Index Expanded (SCIE)
- Social Science Citation Index (SSCI)
- Arts and Humanities Citation Index (AHCI)
- Emerging Source Citation Index (ESCI)
- UGC care

3.4.2. Conference Publications (National and International)

Faculty members are encouraged to submit and present their research work to reputed National and International Conferences organized by Institutes with NIRF 100 rank.

3.4.3. Books and Book Chapters

Contributing to a book or a book chapter is indeed a great achievement to an individual faculty and Institute as well. Hence all faculty members are encouraged to initiate this process to contribute to a book or a book chapter of reputed publishers.

3.4.4 Patents/IPR

Faculty members can apply and obtain patents for their contribution in the form of a product, innovation, technology, etc. from National and International agencies.

4. Intellectual Property (IP):

4.1 Ownership:

4.1.1 All IPs should be filed through IPR Cell only. The application shall be a joint application in which first applicant, and hence the owner, shall be ACET, whereas the second applicant shall be inventor/s (viz. faculty member/staff/student/alumnus of ACET). The names of the inventors (students, staff members, research scholars or collaborating faculty members) from other institutes may also be included under inventors of the patent.

4.2 Revenue Sharing:

4.2.1 The revenues generated through technology transfer or licensing of the patent shall be shared by the ACET and Inventors. The ratio of revenue sharing (after deducting processing and other expenses) shall be decided mutually and governed by a separate agreement between ACET and the inventors.

4.3 Incentives:

4.3.1 Incentives shall be applicable as per the Research Incentive.

4.4 Awards for Patents filed by the students:

4.4.1 At the end of every calendar year, a patent review committee (IPR Cell) shall review all the patents filled in that year. The Patent review committee shall honor the students by giving awards selected by the committee.

4.5 Cost of Protecting the IPRs:

4.5.1 The fees for obtaining copyright shall be paid by institute.

5. Research Incentive:

5.1 Incentives for Publications in Journals:

5.1.1 Incentives shall be applicable to papers which are published in **non paid** journals indexed by ICI (Indian citation index)/Scopus/SCI (Science citation index)/ WoS (Web of science).

5.1.2 The incentives shall be applicable to only those papers where the author's affiliation is '**Anjuman College of Engineering and Technology**' (ACET) (Refer Policy on Institute Affiliation in Publications).

5.1.3 In case of multiple authors, including students, in the same paper from ACET, the incentive shall be shared equally by all the authors.

5.1.4 Incentive of Rs. 3,000/- for paper published in journals indexed by ICI

5.1.5 Incentive of Rs.5, 000/- for paper published in journals indexed by SCOPUS not through conference

5.1.6 Incentive of Rs.6, 000/- for paper published in journals indexed by ESCI and AHCI

5.1.6 Incentive of Rs.8, 000/- for paper published in journals indexed by SCI, SCIE and SSCI

5.1.7 Incentives will not be applicable for the paper published in conference proceedings or journals where a conference proceeding is uploaded.

Evaluation Process for authentication of Journal

Journal Status: - Indian Citation Index

ICI  <http://www.indiancitationindex.com>

Journal Status: - Web of Science

SCI, SCIE, SSCI and A&HCI indexed journal  <https://mjl.clarivate.com>

Journal Status: - Scopus

Scopus indexed journal  <https://www.scopus.com>

5.2 Incentives for attending Conference/ Workshop/ STTP/FDP/Seminars/Training in India:

5.2.1 **Paper Presentation at Conference:** The University approved faculty members of ACET shall be eligible for 100% sponsorship in the form of registration fees only for conferences proceedings indexed in Scopus/SCI/WoS. Faculties attending the **Workshop/**

STTP/FDP/Seminars/Training organized at IIT, IIIT, NITTTR, IISC, NITs, institute of eminence and other reputed Institutes / Universities consistently ranked among top 150 in NIRF only shall be eligible for registration fee. Travel allowance with to & Fro actual Rail fare by AC III tier to Associate professor and Professor and sleeper class to Assistant Professor, to the nearest rail head and / or Bus fare up to the venue of the conference and duty leave as per norms will be applicable for same.

5.2.2 AICTE / MOE (Ministry of Education) / TEQIP approved Workshop/ STTP/FDP/Seminars/Training in India: Full registration fees and Travel allowance as per 2.2.1 with duty leave will be granted as per norms.

5.2.3 AICTE / MOE (Ministry of Education) / TEQIP approved Workshop/ STTP/FDP/Seminars/Training within the City: Full registration fees and duty leave (maximum one week) will be granted as per norms.

5.2.4 Duty leave will granted from one day prior to the event and one day after the event. For ex. If the conference is organized at Bangalore and its duration is of 2 days then OD of 1+2+1=4 (Four) days will be granted. Any other kind of leaves like CL / EL can be attached to the OD.

Note: The incentives shall be applicable to only those papers where the Author's affiliation is with 'Anjuman College of Engineering and Technology' .

5.3 Incentives for presenting paper in Conference abroad:

5.3.1 The University approved faculty members of ACET shall be eligible for duty leave (maximum one week) and Rs 40,000/- Rupees forty thousand only (including registration fees + TA + Miscellaneous) & all expenses.

5.3.2 In case approved faculty member receives grant from external organizations like DST, DRDO, SERB, CSIR, AICTE, UGC, IET and University etc. then the funds for attending the same will be bourn through external funding agencies. Duty leave will granted to them as per clause 4.2.4

5.3.3 The faculty member availing of this incentive has to submit the proposal to the Principal at least two months in advance from the last date of registration of the conference.

It is mandatory for the faculty member availing the sponsorship for conference abroad to submit Travel Grant application to at least one external funding agency i.e. AICTE/DST/SERB etc. before applying to the college for the same.

For presentation of research papers in conferences abroad, the University approved faculty members of ACET shall be eligible to attend one conference in every two years, concerned head of department must ensure that not more than two faculty members in one calendar year is permitted to attend such type of conferences abroad. Conference proceeding must be indexed in Scopus/SCI/WoS.

5.4 Incentives for Research/ FDPs/STTP/Training Programmes, funding from any government/ Non government agencies: Incentives will be applicable for grant received more than a lakh.

Incentive for external funding			
Sr. no	Category	To whom	Incentives
1	Financial grants received from external funding agency such as DST, DRDO, SERB, CSIR, AICTE, UGC, IET and University etc.	Principal Investigation	1 Percentage on grants
		Co- Principal Investigation	0.5 Percentage on grants

5.5 Incentives for Patents:

5.5.1 Incentives shall be applicable to patents which are filed by the inventors with the name of college under affiliation section.

5.5.2 Incentives for each granted patent shall be Rs. 10,000/- (Refer Intellectual property Policy)

5.5.3 Fees for filing patent and examination fees of patent shall be borne by the institute upon submission of fees receipts of patent office. Maximum 10 patents will be considered by the institute in one calendar year and on first come first serve basic.

5.6 Incentives for Book Publication

5.6.1 International Book Publication:

5.6.1.1 Incentives shall be applicable to regular faculty of ACET, if books published in internationally reputed book publisher.

5.6.1.2 Incentives for author/authors shall be Rs. 7,000/- per publication, book publication from own discipline

5.6.2 National Book Publication:

5.6.2.1 Incentives shall be applicable to regular faculty of A C E T, if books published in nationally reputed book publisher.

5.6.2.2 Incentives for author/authors shall be Rs. 4,000/- per publication, book publication from own discipline

5.7 Incentives for award

5.7.1 Incentives shall be applicable to regular faculty of A C E T, if he/she received award from Government organization, no processing fee will be paid by the college.

5.7.2 Incentives for the award Rs 5000/-

5.7.3 Incentives shall be applicable to student's group/individual if they received award/cash prize as Ist position from any project competition/ technical event

5.7.4 Incentives for 4.9.3 is Rs 2000/-

The incentive amount will be disbursed after successful submission of bills/utilization certificate/after settlement of amount from the concerned authority/organization.

6. Consultancy Policy

Introduction

To extend the scientific research knowledge of faculty for the benefit of industry, consultancy is one of the methods. The institute support and encourage the faculty in taking up consultancy (and testing) work that have elements of industrial problems solving. Relevant consultancy project will not only provide much needed service to the industry but also benefit the concerned faculty members and the Institute in several ways. It enriches the professional experience and knowledge of faculty members and thus makes them better educators. Consultancy projects provide a first-hand knowledge of the current problems of industry, which is very helpful in tuning the curriculum to the national needs. The faculty members get an opportunity to apply their innovative ideas to practical situations. Furthermore, the consultancy work provides incentives to all categories of staff for their contribution.

6.1 The project consultancy is classified as

- (1) Type I consultancy project: Consultancy Projects which do not require laboratory facilities of the Departments/Institute will be classified as Type-I Consultancy Projects.
 - (2) Type II consultancy project: Consultancy Projects involving use of laboratory facilities of the Departments/Institute will be classified as Type-II Consultancy Projects. Such projects will cover testing, measurements, calibration of equipment/ instruments and testing of materials /equipment in laboratory, field testing and measurement and research and development work using laboratory facilities, as a part of that consultancy project.
- 6.2** Distribution of funds: After meeting all the expenses, following is the sharing pattern from consultancy work,
- (1) Consultancy Type- I:**
 - a) Amount to institute will be 50% of the remaining amount after meeting all the expenses.
 - b) Amount shared by the team involved with the work including supporting staff is 50% of the remaining amount after meeting all the expenses.
 - (2) Consultancy Type- II:**
 - a) Amount to institute will be 30% of the remaining amount after meeting all the expenses.
 - b) Amount shared by the team involved with the work including supporting staff is 70% of the remaining amount after meeting all the expenses.
- A.** It is recognized that the consultancy leads to increased knowledge and capabilities of the concerned faculty member. Therefore each such consultant will be given free time of at least one day per week to conduct such assignments by adjusting the academic schedule.

7. Norms for Pursuing Higher Studies:

7.1 PhD:

7.1.1 The University approved faculty member of the institute may be allowed to pursue Part-Time PhD at ACET or at Institute/University

7.1.2 The University approved faculty members of ACET those are pursuing Part-Time PhD at afore mentioned Institutes/Universities may get duty leave whenever applicable. Maximum duty leave permitted in one calendar year will be 20.

7.1.3 The University approved faculty members of ACET those are pursuing full time PhD, at afore mentioned Institutes/Universities may get lien as per norms (Management reserve rights in this regards.) (Refer Research Incentive)

8. Faculty Recognition:

8.1 Research Awards:

8.1.1 Appreciation certificates and memento for different awards in different competitions securing first position must be given by respective departments.

8.1.2 For UG, PG and PhD projects for securing first, second or third position in outside shall be honored with certificates & mementos by the institute.

8.1.3 Any type of funding for ACET (PI & team) for scheme like, PRERANA Scheme, STTP/FDP etc sponsored by AICTE or any other government agencies , certificates and mementos shall be provided to the concerned team.

9. Institute Affiliation in Publications:

9.1 Purpose:

9.1.1 This policy is designed to ensure the correct and consistent use of our institute affiliation in research outputs. This will ensure that the college receives the academic prestige and acknowledgement in citations of the publication by other authors, which contributes to bibliometric assessment of the institute research outputs.

9.1.2 The policy applies to all faculty members and students whose research outputs derive from the use of institute resources and facilities during their tenure in the institute.

9.2 Policy:

9.2.1 All institute authors must cite Anjuman College of Engineering and Technology as their affiliation in research articles, conference papers and other publications, irrespective of whether the affiliation actually appears in the publication or not.

9.2.2 Wherever possible, depending upon the required style of the publication, Anjuman College of Engineering and Technology' should appear as the first element in recording affiliation. Other elements such as Department, Designation can be listed as second or third element, as appropriate. Listing of college name first ensures that the college receives credit. Where this is not possible, college name must appear prominently and in any event not later than the third element within the citation. Otherwise, there is a risk that the institute will not be credited in any external machine-readable analysis of bibliometric data.

9.2.3 The institute name must be correctly spelled out in full (Anjuman College of Engineering and Technology, Nagpur). The use of the acronyms is not permitted in publications,

nor is any other form of abbreviation of the college's name 'and' in the college name should not be spelled as '&'.

9.2.4 All the privileges and benefits such as incentives, sponsorships, duty leaves, reimbursements, etc. shall be applicable only if the college affiliation is mentioned in the publication as per this policy.

Subject : Application for sanction Rs. 5,000/- for "CLEAN INDIA" dated 04/10/2021

from 20th October to 21st October, 2021 for ACET NSS Volunteers

Respected Sir,

As we received your remarks to give full details schedule of ACET **CLEAN INDIA**" program are as under

Sr.No.	Activity	Date & Time	No. of NSS Volunteers	Refreshment
1.	At New Colony Area clean waste mainly single use plastic waste	20-10-2021 11:30 to 1:00 PM	30 Volunteers	Rs.40/- per Student Rs.1200/-
2.	At Sadar Area clean waste mainly single use plastic waste	21-10-2021 11:30 to 1:00 PM	30 Volunteers	Rs.40/- per Student Rs.1200/-
3.	Banner	Size 4 x 8 with designing		Rs.500/-
Total Approximate Amount				Rs.2900/-

So I am requesting you to kindly sanction for Banner(Rs.500) and Refreshment(Rs.2400/-), hence **Rs. 2900/-**, for ACET NSS Student Volunteers for **"CLEAN INDIA" program from 20th October to 21st October, 2021.**

Please do the needful & oblige.

Thanking you,

Yours faithfully,

Subject : Celebrating 75 years of India's Independence (Azadi ka Amrut Mahotsav)-India@75-reg.

Sir/Madpm,

I am to refer to the subject cited above and to inform that India is gearing up for the celebration of its 75th Year of India's Independence, as a part of commemoration. A series of events namely Azadi ka Amrut Mahatsav have been planned for their organization across the country. It is an initiative to celebrate and commemorate 75 years of progressive India and its glorious history, people, culture and achievements.

Hon'ble Prime Minister while inaugurating the curtain raiser of Azadi ka Amrut Mahotsav on 12th March, 2021, said that 'The celebrations can be divided in five sub-heads – Freedom struggle, Ideas at 75, Achievements at 75, Actions at 75 and Resolve at 75.'

In this regard you are requested to organize the following programs/events by your University/Directorate as per the dates given below.

Sl. No.	Event/Program	Date of Event	Venue	Objective
1	Catch the Rain Online or physical	8 th August, 2021	Universities/Plus Two Councils headquarters and in all the institutions/adopted villages.	To make aware and educate Youth leaders and volunteers, families and village communities on issues and need of water conservation and rain water harvesting. To empower youth to assume lead role for educating people to practice Rainwater "Harvesting" and popularize tagline "Catch the Rain, where it falls, when it falls".
2	Fit India Freedom Run Campaign Small group of Volunteers i.e. 4 or 5	13 th August, 2021	By all the Universities/Plus Two Councils headquarters and all the NSS units of all the Universities /Plus Two Councils.	To encourage and promote fitness culture and spirit of sportsmanship among rural youth to adopt it as a way of life. To cherish and follow the noble ideas that inspired freedom struggle creating awareness on life, works and philosophy of Heroes of India Freedom Movement. To generate enthusiasm and infuse patriotism among youth and people in general.

3	Green Village-Clean Village	2 nd October, 2021	In the Adopted villages of all NSS Units of all the Universities/Plus Two Councils	To make aware and motivate people the need and importance of cleanliness, greenery and non-use of plastic material. To address challenges and barriers for making villages clean, plastic free and green. To make villages dirt, filth and plastic free and green.
---	-----------------------------	-------------------------------	--	---

Few photographs may kindly be uploaded from the spot/venue of the program while progress of the event to upload in the Social Media handles of the Ministry and to submit Data to the NSS Directorate, New Delhi. A brief report with action photos may be sent to this office after completion of the program. Further, you are requested to co-ordinate with your district NYKS for planning and execution of the above events.

Your kind co-operation for successful completion of the above said programs are highly appreciated.

Yours faithfully,

04/08/2021

Khan

basic planning. The CBSE has also started Sports Diploma through Fit India Movement targeting future Olympics, he informed.

Sports head of the college Dr. Zakir Khan said the movement was first launched by Prime Minister Narendra Modi in 2019 on National Sports Day on August 29 to inspire

people to make physical fitness a way of life.

The Fit India Movement aims at behavior changes from a sedentary lifestyle to a physically active way of day-to-day living for a healthier living.

Near about 200 participants from all over India participated in the webinar. The participants also asked many questions in webinar chat Box to Dr. Zakir S. Khan. After feedback submission, all the participants received online generated Certificate.

The webinar was successfully completed with the permission of principal Dr. Syed Mohammad Ali, Prof. Mohd. Aziz and others worked hard for the success of webinar.

AICTE FIT INDIA CHALLENGE

“Hum Fit to India Fit”

The **AICTE FIT INDIA CHALLENGE** is being organized by All India Council for Technical Education (AICTE) In order to foster and inculcate the habit of physical fitness, Hon'ble Chairman & Vice Chairman, AICTE on the occasion of 7th International Yoga day have decided to recognise and honour such faculty and students of AICTE approved institutions as well as AICTE officials through AICTE FIT INDIA CHALLENGE.

Introduction: The International Day of Yoga (IDY) is held on 21st June of every year since 2014. It has been tried and tested that practicing Yoga helps in the development of stronger physical and mental well-being. Due to the current pandemic situation, the essence of good health has been felt more by the masses.

The Prime Minister Shri Narendra Modi launched the "Fit India Movement" at a ceremony in New Delhi on 29th August 2019 on the occasion of National Sports Day. The Prime Minister urged the people of the country to make fitness their life style. Launching the people's movement on the birth anniversary of Major Dhyanchand, Prime Minister Narendra Modi paid tributes to Major Dhyanchand, India's sports icon who enthralled the world with his game and techniques. He also congratulated the young sportspersons of the country who are keeping the tricolor afloat on the world stage through their efforts.

AICTE's FIT India Challenge is one of the initiative supporting Government FIT India Movement.

Goal

By 2022, at least 50% of higher educational institutions implementing core principles/ set standards of Health Promoting Universities

Objective

1. Promoting healthy and sustainable policies and planning throughout the Higher Educational Institutions
2. Providing healthy working environments
3. Offering healthy and supportive social environments
4. Establishing and improving primary health care
5. Facilitating personal and social development
6. Ensuring a healthy and sustainable physical environment
7. Encouraging wider academic interest and developments in health promotion
8. Developing links with the community

Mission

Our Students enjoy a very high level of health; for them healthy lifestyle, practices & wellness is a way of life.

Vision

An sustainable environment that is enabling for physical, mental, social, emotional and intellectual well-being of students and staff (adapted from The Okanagan Charter)
