ACADEMIC SESSION 2021-2022

Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The soul of cultural heritage of India lies in the fact that it's an all-embracing confluence of religions, traditions, customs and belief. Its ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race and gender. Institute sensitizes the students and the employees of the institution to the constitutional obligations about values, rights, duties, and responsibilities of citizens which enables them to conduct as a responsible citizen.

To equip students with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. These elements are inculcated in the value system of the college community. The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people. The institute conducted various awareness programs such as ban on plastics, cleanliness, Swatch Bharat, etc. involving students and staff.

The college establishes policies that reflect core values. Code of conduct is prepared for students and staff and everyone should obey the conduct rules. The Affiliating University Curriculum is framed with mandatory courses like Professional Ethics and Human Values as well like Energy and Environment, Communication Skills, Indian Culture and Constitution of India, Universal Human values, Environmental Science, as a small step to inculcate constitutional obligations among the students.

Webinars, Guest lectures and events were organized by calling eminent personalities to deliver lectures on various issues such as values, duties, responsibilities and on how to conserve the environment.

ACADEMIC YEAR 2021-22

Name of Event: UNNAT BHARAT ABHIYAN	Year of Event: 2020-2022
Name of Organizers: NSS, ACET	Duration of Event;: 2 Years
Name of Coordinators: Dr. Zakir Khan	Place of Event: Adopted Villages

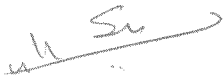

ACET HAS ADOPTED 5 VILLAGES UNDER UNNAT BHARAT ABHIYAN

REPORT

National Service Scheme unit of Anjuman College of Engineering & Technology, Under Unnat Bharat Abhiya Coordinator Dr. Zakir S. Khan, adopted 5 Villages, Bokhara - Nagpur Rural, Brahmanwada- Nagpur Rural, Pitesur Hingana Tahsil, Ranala - Kamptee Tahsil, Yerkheda- Kamptee Tahsil, with the blessing of Principal D. Syed Mohammad Ali

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The conceptualization of Unnat Bharat Abhiya started with the initiative of a group of dedicated faculty members of Indian Institute of Technology (IIT) Delhi working long in the area of rural development and appropriate technology. Unnat Bharat Abhiyan is to build an understanding of the development agenda within institutes of Higher Education and an institutional capacity and training relevant to national needs, especially those of rural India, to re-emphasize the need for field work, stake-holder interactions and design for societal objectives as the basis of higher education, to stress on rigorous reporting and useful outputs as central to developing new professions, to provide rural India and regional agencies with access to the professional resources of the institutes of higher education, especially those that have acquired academic excellence in the field of science, engineering and technology, and management. To improve development outcomes as a consequence of this research. To develop new professions and new processes to sustain and absorb the outcomes of research, to foster a new dialogue within the large community on science, society and the environment and to develop a sense of dignity and collective destiny.

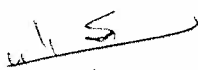

Anjuman College of Engineering & Technology National Service Scheme unit Volunteers are working for Unnat Bharat Abhiyan since 2019 under the leadership of Dr. Zakir S. Khan, UBA-Coordinator and Prof. Shahid Arshad-Convener and giving them all social awareness activities, they already made survey of all villages for households information from villagers of all adopted Villages, Anjuman College of Engineering & Technology National Service Scheme unit Volunteer distributed Sanitizer & Mask to every Villagers of adopted Villages and also Volunteers conducted awareness program on Water management and Waste Management for Villagers.

basic planning. The CBSE has also started Sports Diploma through Fit India Movement targetting future Olympics, he informed.

Sports head of the college Dr. Zakir Khan said the movement was first launched by Prime Minister Narendra Modi in 2019 on National Sports Day on August 29 to inspire

people to make physical fitness a way of life.

The Fit India Movement aims at behavior changes from a sedentary lifestyle to a physically active way of day-to-day living for a healthier living.

Near about 200 participants from all over India participated in the webinar. The participants also asked many questions in webinar chat box to Dr. Zakir S. Khan. After feedback submission, all the participants received online generated Certificate.

The webinar was successfully completed with the permission of principal Dr. Sayed Mohammed Ali. Prof. Mohd. Aziz and others worked hard for the success of webinar.

Dear Sanjay:

Under the aegis of 'Azadi Ka Amrit Mahotsav' AKAM, 'Har Ghar Tiranga' campaign has been launched to encourage the citizens to hoist the National Flag of India in their homes. The idea behind the campaign is to instill the feeling of patriotism in the hearts of people and reminisce the journey of India and those who have contributed towards creating this great nation. It is envisaged that all citizens shall be encouraged to hoist *Tiranga* at their homes during the Independence week from 13th- 15th August.

2. Ministry of Culture has developed a website www.harghartiranga.com where citizens are encouraged to pin a flag and upload a selfie with flag. It is requested to create awareness about the website and use official hashtag #harghartiranga for social media promotions.

With kind regards,

Yours sincerely,

Brief Report on: Final Year Project	Session: 2021-22
Name of Department: Civil Engineering	Duration of Project: One Academic Year
Title of Project: Economical Design of Initial Bund and Raising of Bund Successively for Disposal of Wonder Material Flyash.	
Name of Guide of Project: Prof. Mohammad Shahid Arshad	No. of Projectees: 08
Type of Participants: Final Year Students of Civil Engineering Department	

REPORT

The Final year students of Civil Engineering Department, ACET had successfully completed the project on "Economical Design of Initial Bund and Raising of Bund Successively for Disposal of Wonder Material Flyash" under the guidance of Prof. Mohammad Shahid Arshad. A batch of 8 students had been formed and those students chose the above mentioned topic because it was found that the leachate of flyash is disturbing the nearby the water bodies. As a result of which, the villagers and cattle were suffering some skin diseases by consuming that polluted water. The students with the guidance of guide met the concerned officials of Koradi Thermal Power Station (KTPS), Koradi, Distt Nagpur, and surveyed the site first and proposed the economical design of raising of bund successively. The copy of thesis report was also submitted to the KTPS and they appreciated the efforts taken by the students. Students also made the model of the entire project for illustrative explanation of their ideas and design. The work of the students was also covered by the local media and it runs on Nagpur Samachar and Maharashtra Samachar. The link of the video is given below; the project coordinator Dr. R.G.Bade always guided the students and the H.O.D. Dr. Ashfaque Ansari consistently motivated the students to do the best work at their ends. The names of the students of who had completed the project are as follows:
