### REPORT

#### "ROBOTICS & AUTOMATION IN ELECTRICAL ENGINEERING"

Date: 15<sup>TH</sup> NOV 2022, Timing: 12.00 PM to 1:30 PM

Electrical Engineering Department of Anjuman College of Engineering and Technology recently conducted guest lecture on 15<sup>TH</sup> November 2022 for all the students of department. Eminent speaker Mr. Anil Tatode, Training officer from Dept. of Robotics and cloud Technology, RTMNU, Nagpur was invited to enlighten the students on the technical topic "**ROBOTICS & AUTOMATION IN ELECTRICAL ENGINEERING**". The Guest Lecture was organized under the guidance and motivation of Dr Syed Mohammad Ali, Principal, and Anjuman College of Engineering & Technology, Sadar, Nagpur, and Dr. Ruhi Uzma Sheikh Head of the Electrical Department. The guest lecture was arranged by Prof. Mohammed Safique. The robotics can help the students increase the creativity with engineering disciplines; they can build and strengthen cognitive development such as the mathematics, the engineering, the communication skills, the strategic thinking and goal-oriented thinking. The seminar was very interactive, illustrative and knowledgeable. The student came to know the latest trend going in the world about Robotics. The seminar got huge response and was attended by maximum number of students of the department.

### REPORT

#### “IMPORTANCE OF LANGUAGE IN COMMUNICATION”

Date: 06<sup>TH</sup> FEB 2023, Timing: 12.00 PM to 1:00 PM

Electrical Engineering Department of Anjuman College of Engineering and Technology recently conducted guest lecture on 6<sup>TH</sup> February 2023 for all the students of department. Eminent speaker Mr. Nirman. R. Shringhey, Training officer from Career Launcher, Nagpur was invited to enlighten the students on the technical topic “**IMPORTANCE OF LANGUAGE IN COMMUNICATION**”. The Guest Lecture was organized under the guidance and motivation of Dr Syed Mohammad Ali, Principal, and Anjuman College of Engineering & Technology, Sadar, Nagpur, and Dr. Ruhi Uzma Sheikh Head of the Electrical Department. The guest lecture was arranged by Prof. Nahid Khan and coordinated by Prof. Ishraque Ahmed. Language helps us express our feelings and thoughts; this is unique to our species because it is a way to express unique ideas and customs within different cultures and societies. By learning a foreign language, you can understand ideas and thoughts that may be different from your own culture. Good language skills to some extent imply good communication skills. Hence without language skills, a student will not become part of society, let alone a professional. The seminar was very interactive, illustrative and knowledgeable. The seminar got huge response and was attended by maximum number of students of the department.

### REPORT

#### “INDUSTRIAL AWARENESS AND OPPORTUNITIES IN METRO”

Date: 23<sup>RD</sup> MARCH 2023, Timing: 12.00 PM to 1:00 PM

Electrical Engineering Department of Anjuman College of Engineering and Technology recently conducted guest lecture on 23<sup>rd</sup> March 2023 for all the students of department. Eminent speaker Mr.Pravin jadhav, B.Tech, M-Tech, MBA, having 8 years experience in Metro Project Design Nagpur was invited to enlighten the students on the technical topic **“INDUSTRIAL AWARENESS AND OPPORTUNITIES IN METRO”**. The Guest Lecture was organized under the guidance and motivation of Dr.Ahmed Sajjad Khan, offg.Principal, and Anjuman College of Engineering & Technology, Sadar, Nagpur, and Dr.Ruhi Uzma Sheikh, Head of the Electrical Department. The guest lecture was arranged by Prof.Nahid Khan and by Prof.Najma Siddiqui. Today's it has become very important the efficient use of resources available for construction and other activities. Metro Projects are Eco-friendly – causes no air pollution, much less sound pollution and low energy consumption. A metro train runs within a city, and it is established with the aim of covering large distances in a short time. By this seminar students were made aware of the project carried out in Metro and the opportunities as an Electrical Engineer. The seminar was very interactive, illustrative and knowledgeable. The seminar got huge response and was attended by maximum number of students of the department.

#### Letter of Appreciation

Dear Lalit Gunani

Thank you for the very informative seminar on Interpersonal Skills, Soft Skills & Communication techniques. It was really a very splendid presentation which exposed our students to real life demands. All our students have appreciated and got benefited from your guidance on the subject.

Looking forward to your cooperation for more such beautiful presentations in future.

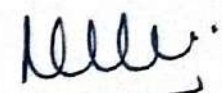

We also appreciate your time.

Thanks and Regards,

## REPORT

The seminar was conducted on Technical tools by using ICT tools for 8<sup>th</sup> semester students so that they can develop their technical knowledge about surface modeling & this will enhance their skill in CAD software and the technological developments in industries specially automobile sector. Students appreciated and agreed to seriously think, plan and start required preparation. 69 students attended the seminar.

**Subject: Letter of appreciation.**

Dear Sir,

We are extremely grateful to you for visiting our college delivering an expert lecture / Seminar / Workshop for the students of B. E Mechanical Engineering 8<sup>th</sup> sem students on the topic "Training on surface modeling by using ICT tools from G2G innovation Pune " from date 06-05-2023

We are overwhelmed by the utmost interest and efforts taken by you in sharing knowledge. The students are enriched by acquiring the knowledge of the topic you have shared.

Thank you.  
Regards,

  
Dr. Namrata Lotia  
Head, Mechanical Engineering & Department,

## REPORT - ON GUEST LECTURE

Science and Humanities department of Anjuman College of Engineering & Technology , organised Guest lecture on “NMR Spectroscopy ” for the students of B.Tech Second semester on 17<sup>th</sup> June 2023 from 2.00 p.m. onwards via online mode.

The Guest lecture was conducted by Dr. P.K.P.Gaitry Chopra , Assistant Professor , Faculty of Engineering & Technology , DMIHER (DU) , Swangi (M) , Wardha.

The guest lecture was very resourceful and student took benefit of it.

Large number of student attended the guest lecture and cleared the concept of NMR Spectroscopy

The lecture was hosted by Dr.Tasneem Khan.

## REPORT - ON GUEST LECTURE

The Department of Science and Humanities has been organised guest lecture on June 24<sup>th</sup>, 2023 on online mode at Anjuman College of Engg. & Technology, Nagpur. An online guest lecture, webinar entitled "Important Traits of Personality" was presented by speaker Prof. Abdul Shamim. Asst. Professor, Renuka Mahavidyalaya, Besa, Nagpur for the B.TECH II Semester students of ACET.

The objective of the virtual event was to provide valuable insight into the personality traits that contribute to a well-rounded and successful individual. Prof. Abdul Shamim began the lecture by elaborating on the significance of personality in our personal and professional lives. He emphasised that personality traits are enduring patterns of thoughts, emotions, and behaviours that define a person's character.

Prof. Shamim emphasised the importance of communication and interpersonal skills in both personal and professional settings. He highlighted the importance of active listening, assertiveness, nonverbal communication, and conflict resolution techniques in the development of strong interpersonal skills.

Prof. Abdul Shamim's online guest lecture titled "Important Traits of Personality" provided valuable insights into the main factors that shape a person's personality. The participants gained a greater comprehension of the Big Five personality traits,

The lecture received great response from all over the area of education field and became huge success. Head of Department S & H Dr. Tasneem Khan, congratulated to Dr. Abdul Sajid Kazi, Coordinator, of the event for his efforts to make this webinar a success.
