Vision
 To be the centre of excellence for providing quality education and research and to be a global leader in the field of civil engineering.

Mission
 To provide quality education and research in the field of civil engineering.

Program Educational Objectives (PEOs)
 To provide quality education and research in the field of civil engineering.

In DISCUSSION
Water Quality Engg.
Water Treatment Plant

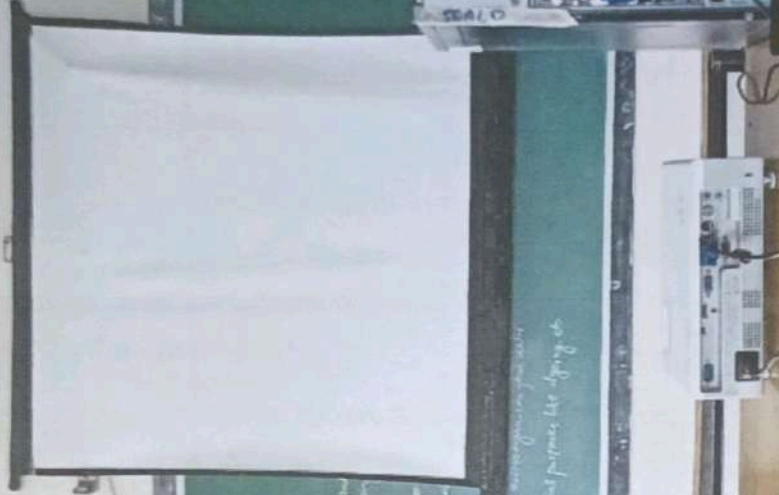

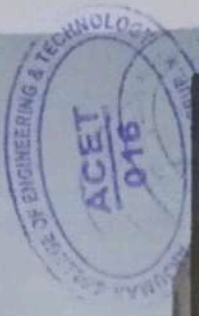

1. To remove suspended solids and organic matter from water to make it suitable for drinking purposes.

2. To remove dissolved organic matter from water to make it suitable for drinking purposes.

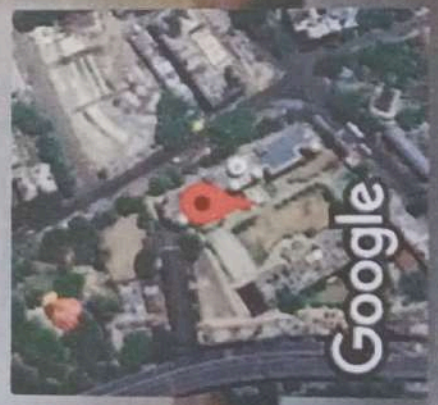

3. To remove dissolved inorganic matter from water to make it suitable for drinking purposes.

4. To remove dissolved inorganic matter from water to make it suitable for drinking purposes.

5. To remove dissolved inorganic matter from water to make it suitable for drinking purposes.
