Anjuman College of Engineering and Technology (A.C.E.T) is managed by Anjuman Hami-E-Islam, Nagpur, a pioneer Educational Trust, serving the cause of education in the region for well over 135 years. It has widespread reputation in the field of education in Vidarbha and is currently running more than 28 educational institutions. Anjuman Hami-E-Islam started Engineering College from academic year 1999-2000. The institute plays a vital role in national development in the context of engineering, education, industries and research fields.

The institute is offering:

- 6 Engineering UG programs, in AI & Data Science, Civil Engineering, Computer Science and Engineering, Electronics & Power (Electrical), Electronics & Telecommunication and Mechanical Engineering.
- PG program M.Tech in Mechanical and Electronics & Telecommunication.
- Research Program (PhD) in Mechanical Engineering affiliated to RTM Nagpur University, Nagpur.

The institute has highly competent, dedicated well qualified and experienced faculty. Fully equipped labs supplemented with modern machines are useful for students aspiring to excel in Engineering. The Institute has well-furnished and spacious laboratories as per AICTE norms with the state of the art equipment in all the laboratories and dedicated internet leased line. Ever since its inception in 1999, the institute provided avenues for the students by organizing industrial visits / tours, expert lecture, workshops, seminars, conferences etc. to nourish them with the latest technology and qualify themselves as competent technocrats.

Institute Vision:

To be a center of excellence for developing technocrats with moral and social ethics, to face the global challenges for the sustainable development of the society.

Institute Mission:

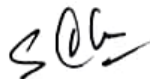

1. To create conducive academic culture for the learning and identifying career goals.
2. To provide quality technical education, research opportunities and imbibe entrepreneurship skills, contributing to the socioeconomic growth of the nation.
3. To inculcate values and skills, that will empower our students towards development through technology.

Vision of the Department:

To be the Centre of excellence for developing quality civil engineers with moral and social ethics to face global challenges for the sustainable development of society.

Mission of the Department:

- M1 To create conducive academic culture for the learning and identifying career goals.
- M2 To provide quality technical education, research opportunities
