REPORT

“INDUSTRIAL AWARENESS AND OPPORTUNITIES IN METRO”

Date: 23RD MARCH 2023, Timing: 12.00 PM to 1:00 PM

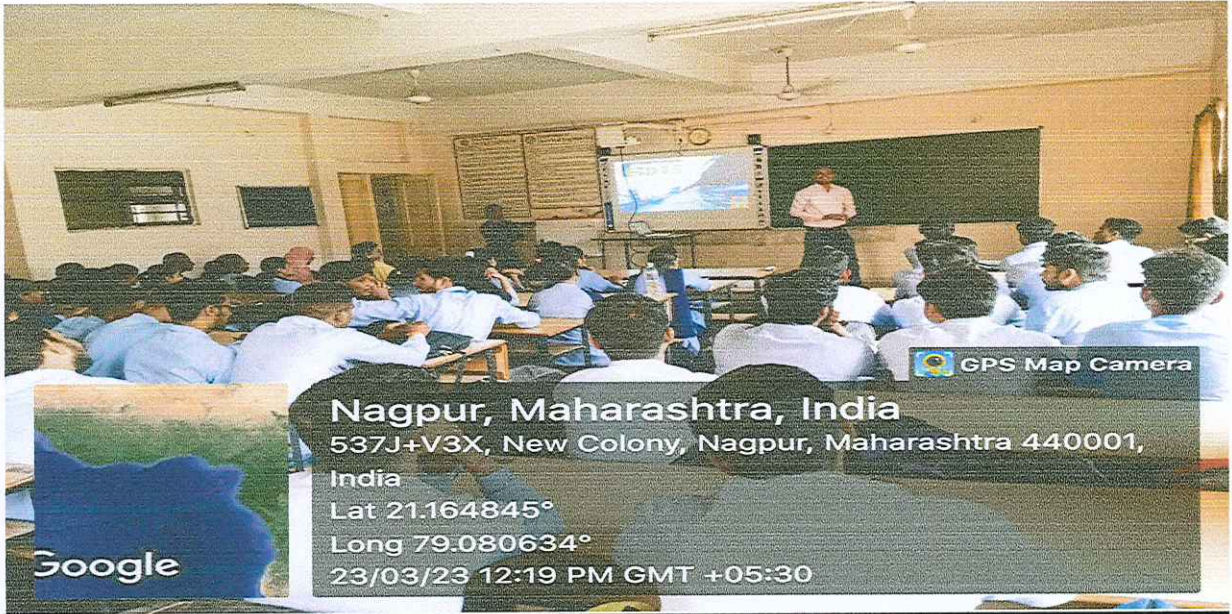

Electrical Engineering Department of Anjuman College of Engineering and Technology recently conducted guest lecture on 23rd March 2023 for all the students of department. Eminent speaker Mr. Pravin Jadhav, B.Tech, M-Tech, MBA, having 8 years experience in Metro Project Design Nagpur was invited to enlighten the students on the technical topic “INDUSTRIAL AWARENESS AND OPPORTUNITIES IN METRO”. The Guest Lecture was organized under the guidance and motivation of Dr. Ahmed Sajjad Khan, offg. Principal, and Anjuman College of Engineering & Technology, Sadar, Nagpur, and Dr. Ruhi Uzma Sheikh, Head of the Electrical Department. The guest lecture was arranged by Prof. Nahid Khan and by Prof. Najma Siddiqui. Today it has become very important the efficient use of resources available for construction and other activities. Metro Projects are Eco-friendly – causes no air pollution, much less sound pollution and low energy consumption. A metro train runs within a city, and it is established with the aim of covering large distances in a short time. By this seminar students were made aware of the project carried out in Metro and the opportunities as an Electrical Engineer. The seminar was very interactive, illustrative and knowledgeable. The seminar got huge response and was attended by maximum number of students of the department.

REPORT

"ROBOTICS & AUTOMATION IN ELECTRICAL ENGINEERING"

Date: 15TH NOV 2022, Timing: 12.00 PM to 1:30 PM

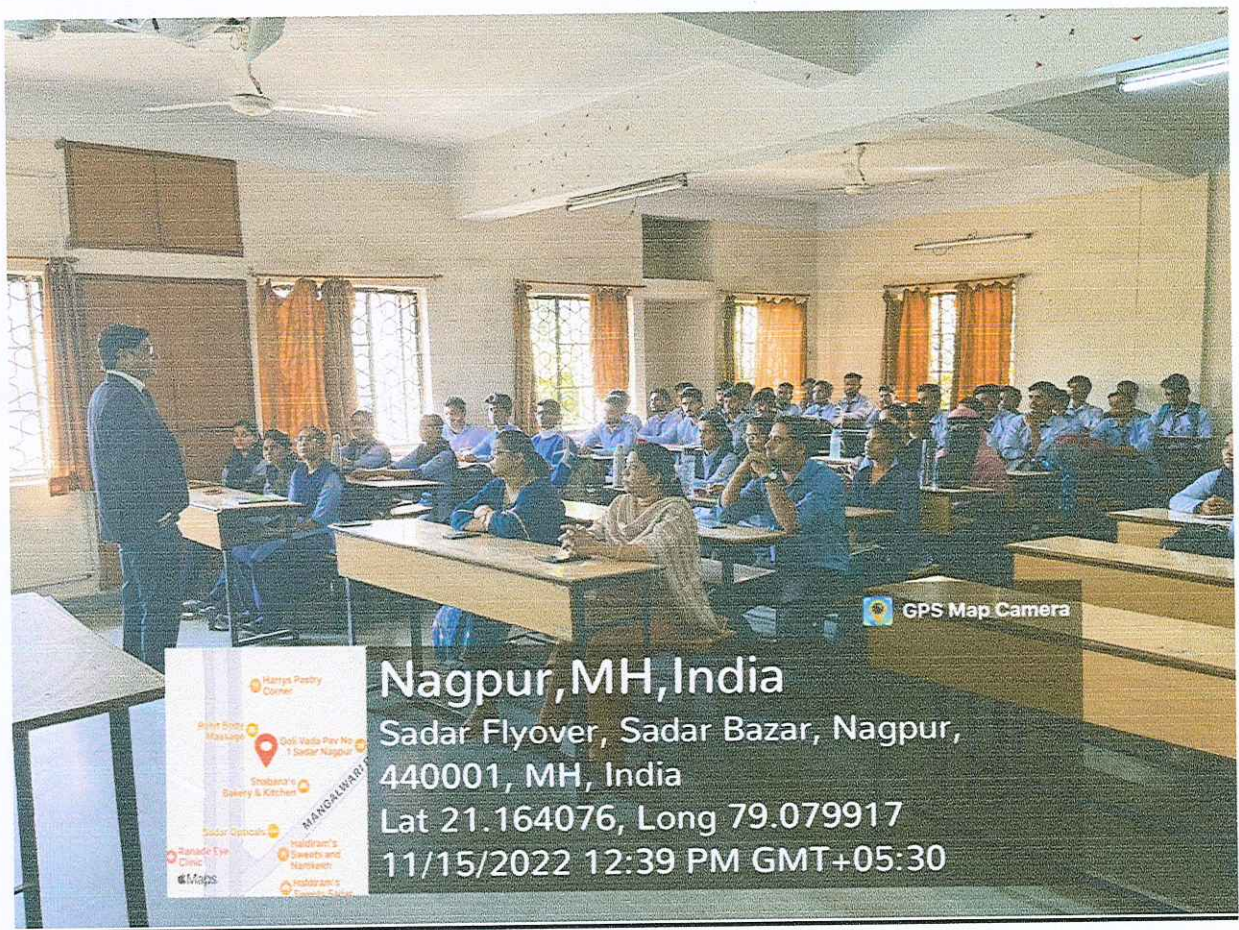

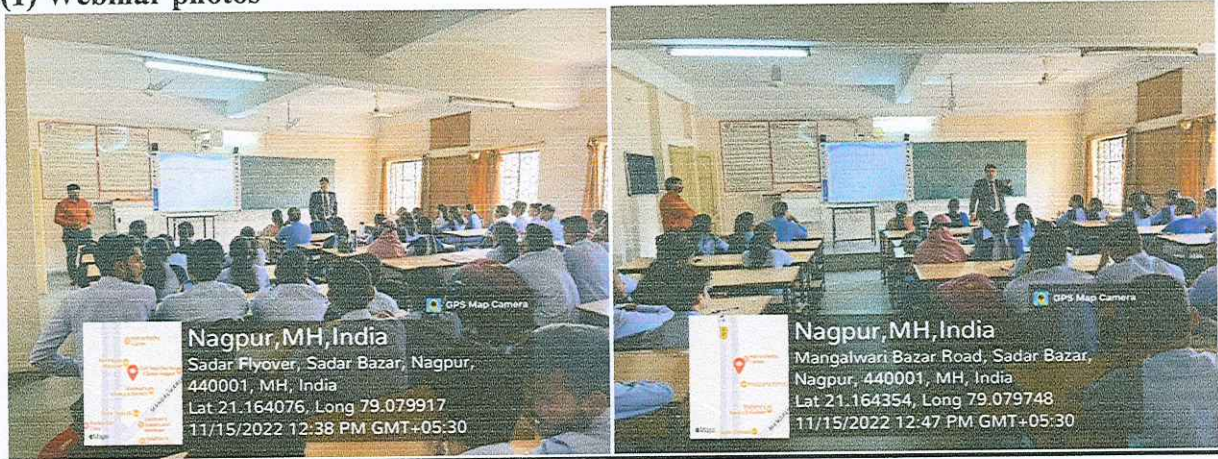

Electrical Engineering Department of Anjuman College of Engineering and Technology recently conducted guest lecture on 15TH November 2022 for all the students of department. Eminent speaker Mr. Anil Tatode, Training officer from Dept. of Robotics and cloud Technology, RTMNU, Nagpur was invited to enlighten the students on the technical topic "**ROBOTICS & AUTOMATION IN ELECTRICAL ENGINEERING**". The Guest Lecture was organized under the guidance and motivation of Dr Syed Mohammad Ali, Principal, and Anjuman College of Engineering & Technology, Sadar, Nagpur, and Dr. Ruhi Uzma Sheikh Head of the Electrical Department. The guest lecture was arranged by Prof. Mohammed Safique. The robotics can help the students increase the creativity with engineering disciplines; they can build and strengthen cognitive development such as the mathematics, the engineering, the communication skills, the strategic thinking and goal-oriented thinking. The seminar was very interactive, illustrative and knowledgeable. The student came to know the latest trend going in the world about Robotics. The seminar got huge response and was attended by maximum number of students of the department.

REPORT

ISHRAE and Informa Markets are back with ACREX India 2023, the flagship exhibition for air conditioning, heating, ventilation and building automation in South Asia. This HVAC expo were held from March 14-16 at the Bombay Exhibition Centre, Goregaon, Mumbai. The agenda of ACREX India in 2023 will be the evolution of technology in the HVAC industry for a better future. Visitors from more than 40 countries were witnessed the exchange of ideas and network expansion opportunities with the global leader in the HVAC Sector. Department of Mechanical Engineering ACET decided to participate in the exhibition to gain widespread ideas and various technology prevailed in this sector. There were 35 participant went to exhibition alongwith 2 Faculty (Prof. N.M. Alam and Prof M. N Nasim). Participants were enlightened by the recent modification done by the renowned organization and faculty guide them how development happens over the period of time and what kind of roll Mechanical Engineers play in this field.
