ACADEMIC YEAR 2022-23

Name of Event: Tech meme competition	Date of Event: 29/04/2023
Name of Organizers: Artificial Intelligence and Data Science Department	Duration of Event: one day
Name of Coordinators: Prof. Iram Nausheen	Place of Event: Online

REPORT

The AI&DS branch organized a tech meme competition on April 29th, 2023, and it was held online. The event saw participation by 14 students who were all enthusiastic to showcase their design skills. The competition's objective was to create a logo that effectively represents the AI&DS branch and its mission. The participants were given a set amount of time to create their designs, and each design was judged based on its creativity, uniqueness, and overall effectiveness in communicating the AIDS branch's message. After careful consideration, the judges selected a winner who demonstrated exceptional design skills and created a logo that effectively represented the AIDS branch's mission. The winner was announced at the end of the event and was awarded a prize. Overall, the logo designing competition was a great success, and it provided an opportunity for students to showcase their talent while also raising awareness about the AIDS branch and its mission.

Name of Event: LOGO DESIGNING COMPETITION	Date of Event: 9/04/2023
Name of Organizers: Artificial Intelligence & Data Science Department	Duration of Event: one day
Name of Coordinators: Prof.Iram Nausheen	Place of Event: Online

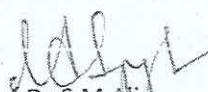

REPORT

The AI&DS branch organized a logo designing competition on April 9th, 2023, and it was held online. The event saw participation from 30 students who were all enthusiastic to showcase their design skills. The competition's objective was to create a logo that effectively represents the AI&DS branch and its mission. The participants were given a set amount of time to create their designs, and each design was judged based on its creativity, uniqueness, and overall effectiveness in communicating the AIDS branch's message. After careful consideration, the judges selected a winner who demonstrated exceptional design skills and created a logo that effectively represented the AIDS branch's mission. The winner was announced at the end of the event and was awarded a prize. Overall, the logo designing competition was a great success, and it provided an opportunity for students to showcase their talent while also raising awareness about the AIDS branch and its mission.
