REPORT ON

INDUCTION PROGRAM FRIST YEAR 2022-23

II PRESENTED TO

The Principal,
Anjuman College of Engineering & Technology,
Sadar, Nagpur.

Change is inevitable. Transition period is always tedious. So is the transition for students from their pre-university academics to professional curriculum. After rigorous training and planning required to join a professional college, students deserve time to unwind themselves to forge new relations with fellow students and familiarize themselves with the new environment. Induction program helps in making students of first year feel comfortable, creating opportunities to showcase their talents and interests and shape their character.

ACET believes that there are two main aspects leading to good education, a supportive, nurturing environment and exposure to growing technological innovations, thus conducting an induction program would leads to inculcate these thoughts.

An induction programme is a harbinger of various in-campus & off-campus activities specially designed for entrants to fill the gap. Induction Program is a beautiful combination of literary activities, cultural activities, personality development activities, universal human values sessions, sports and many more.

Keeping these though in minds, department of Science and Humanities has organized Induction Program from 21st Nov 2022 to 3RD Dec 2022. All the first year student visit their department respectively and got opportunity to interact with their senior students. Various fun activities, interaction with senior students were organized. The session was very interactive, illustrative and knowledgeable. The student came to know the about the of progress of the department years together. Then all students had interaction with faculties, shared their views, valuable ideas and information regarding experience in the college. The session got huge response and was attended by maximum number of students of the department. The details of the activities conducted and out come of the Induction program are presented in this report.

Name of Event: Induction Program for first year students	Date of Event: 23/11/2022
Name of Organizer: Department of Computer Science and Engineering	Duration of Event: 3 Hr (2.00 pm to 5.00 pm)
Number of Participants: 105	Place of Event: ACET, Nagpur
Type of Participants: Students and Faculties	Name of Coordinator: Prof. Imteyaz Shahzad, Prof. Anwarul Siddiqui, Prof. Priya Motghare, Prof. Shabana Ashraphi.

An Induction Program was held for first year students in Anjuman College of Engineering & Technology, Nagpur from 21st November 2022 to 3rd December 2022, with a firm purpose to introduce the students to an experience that not only makes them comfortable in an all-new environment but also helps their overall development.

The objective of the Induction program for students is to make the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life and building of character. The Universal Human Values component will be act as an anchor, develops awareness and sensitivity, feeling of equality, compassion and oneness and draw attention to society and nature. It also makes them reflect on their relationship with their families and extended family in the college. It also connects students with each other and with teachers; so that they can share any difficulty they might be facing and seek help.

On 23rd November 2022, induction program for first year students were organized by CSE department to know their department internally. Prof. Imteyaz Shahzad and Prof. Anwarul Siddiqui arranged departmental visit for newly joined CSE students. They gave brief information about the department infrastructure, laboratories, and other facilities available. Later they asked other faculties of department to introduce the students and the achievements of the department.

After departmental visit, all the students gathered in the auditorium hall for one to one interaction with faculties. During this session, the students were introduced about the vision and mission of the department, laboratories, departmental library, student associations, curricular and extracurricular activities, forum and various achievements. KRANS student forum president Mr. Devesh Solanki along with KRANS members arranged a friendly session for new students. In the session, they elaborated about events, activities, training, placements and many more.
