

ANJUMAN COLLEGE OF ENGINEERING AND TECHNOLOGY, SADAR NAGPUR

ORGANIZES

ONE WEEK FACULTY DEVELOPMENT PROGRAM

ON

“OPPORTUNITIES AND CHALLENGES IN ELECTRICITY MARKET FOR THE UPCOMING DECADES”

» ABOUT THE INSTITUTE

The Anjuman College of Engineering and Technology [A.C.E.T.] is managed by Anjuman Hami-E-Islam, Nagpur. It is a pioneer Educational Trust, serving the cause of education in the Central region for well over 130 years. Anjuman Hami-E-Islam established an Engineering College from academic year 1999 as a medium of imparting quality technical education to aspiring students, reaching to all the section of the society, irrespective of caste creed and religion. The college is affiliated to the R.T.M. Nagpur University, Nagpur, and is recognised by the Government of Maharashtra and approved by the All India Council of Technical Education, New Delhi and Accredited by NAAC.

» ABOUT THE DEPARTMENT

The Department of Electrical Engineering had been established in the year 1999-2000. Since then, the department has made landmark contributions to the development of cutting edge technology. The department has well furnished and spacious laboratories as per AICTE norms with state of the art equipment in all the laboratories and dedicated 100 Mbps internet leased line. The teaching faculty is highly qualified, experienced and involved in research and development.

The department publishes News letter which provides panoramic retrospection of round the year activities of department. The department has formed the student forum named PHOENIX. Under this banner students of the department conduct various technical and non-technical activities for their overall development. Also, looking into the need of the day, there is a Energy Conservation Cell in addition to PHOENIX. This cell creates awareness among the students and the society about energy conservation which is major issue nowadays.
