SUB : PERMISSION FOR CONCESSION OF FEES TO THE WARDS OF EMPLOYEES REGARDING.

Respected Sir,

With reference to the above cited subject, it has been general practice to waive off 50% of tuition fees to the ward of employees of different institutions of Anjuman Hami-E-Islam and admitted in Anjuman College of Engineering & Technology, Sadar, Nagpur, as per permission granted vide letter No. ACET/P/680/19, dt. 26.08.2019.

While giving the above permission scholarship amount was not taken into consideration. Under such circumstances employee may ask for refund of scholarship amount.

Looking into above, henceforth it is recommended to grant the permission of 50% concession in fees which is payable by the ward of the employees of the institution of AHI (i.e. 50% of the fees after deducting scholarship amount if any)

Hence, total fees payable = $\frac{(\text{Total fees} - \text{All type of scholarship amount})}{2}$

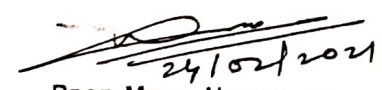

This is submitted with due respect for consideration and approval.

Subject: Tuition fees of my son Khwaja Ibtesaam Ahmad studying in Third year
Mechanical Engineering department of our College regarding _____

Sir,

With reference to above I wish to inform you that my son Khwaja Ibtesaam Ahmad is studying in V Sem of Mechanical engineering of our college. Since his joining the college no fees is due against his name. I've paid the fees at due time.

Yesterday my sons name along with my name was displayed in social media for not paying the fees.

Sir, as you are aware that I am serving this institution since more than ~~15~~ twenty years and has served the institution to best of my ability and competence.

It is also in your knowledge that last six months salary is pending with the institution and because of this I am going through a very rough and jagged phase in life.

Because of financial crunch I was not able to deposit the fees of my son at the appropriate time this semester only.

Through this letter I request you to deduct fees of my son from my pending salary and relieve my agony through which I am going right now. Because your action, of highlighting my name in social media along with other students, has hurt my reputation in society to a great extent.

You are also aware that I am a law abiding citizen and has never indulged in needless issues anywhere.

As you are the person who has issued the order to your staff to publish my name in public domain hence I request you to deduct my sons fees from my pending salary with the institution at the earliest and do justice,

Otherwise I'll have no other option but to seek legal help and you'll be solely responsible for consequences arising out of this.

Submitting with due respect for your perusal and necessary action thereof.

Thanking You
