October is celebrated as **Cyber Security Awareness Month (CSAM)** globally.

This year's theme is '**See Yourself in Cyber: Together we make it Safer**', focusing on the 'people' part of cybersecurity, providing information and resources to help spread awareness.

The title of the program, "**Cyber Safety Tips**" means enabling basic cyber hygiene practices: updating software regularly, do not fall into any financial fraud trap, be careful of what you post, having good strong passwords or a password keeper, and enabling multi-factor authentication on all sensitive accounts.

The students of Computer Science and Engineering Department had conducted various awareness programs in different departments of ACET to celebrate the cyber month and concluding event was conducted on 31st Oct, 2022 at 11:00-12:00 pm in CSE department.

Students had participated in the program and gain the knowledge about basic cyber hygiene practices. The session was interactive and informative. Students had appreciated the programs and expect to arrange similar programs for longer duration to acquire the in depth technical knowledge.
